

LIBATIONS

Our cocktail program is thoroughly curated by our bar team, while incorporating seasonal ingredients from our local purveyors, including Stone Acres Farm. Megan, our beverage director, inspires our team with her dedication to the trade, keeping the evolution of our program on the forefront of the industry.

Rotating Clarified Milk Punch / 14

An English style of punch dating back to the 16th century. Using citrus and milk to clarify, preserve and soften flavors creating a silky smooth cocktail. It's science! Ask your bartender or server for today's clarified creation or check it out on the back of the draft list.
Trust us - its delicious.

The Barrel Project / 16

"small batched & house aged"

Barrel ageing adds complexity and depth to any cocktail. During this process, the oak reacts with acids in the alcohol, resulting in the extraction of sugars into the aging drink.

Meg's Shrubs / 7

House-made drinking vinegar, citrus & sparkling water. Ask your bartender or server for today's flavor.
Spike it! Add vodka or mezcal /+4
